**STELLA DINING TABLE BASE - SILVER**

W26 D26 H29 1/4

Metal with a brushed silver finish.

*Solid metal pedestal base designed for its functionality as a single base creating an elegant entry table, as well as a round or square dining table. Used in multiples the base can support a very large top. All metal in a handsome brushed silver finish. Tops are available in a wide variety of sizes from 54" diameter glass or wood to a 120" x 48" wood top, with or without aprons, in your choice of finish.*

Shown with:

**GL-54 DINING TABLE TOP - GLASS**
