STELLA PEDESTAL TABLE BASE - GOLD

STELLA PEDESTAL TABLE BASE - GOLD

W26 D26 H29 1/4

Metal with brushed gold finish.

Solid metal pedestal base designed for its functionality as a single base creating an elegant entry table, as well as a round or square dining table. Used in multiples the base can support a very large top. All metal in a handsome brushed gold finish. Tops are available in a wide variety of optional sizes from 54" diameter glass or wood to a 120" x 48" wood top, with or without aprons, in choice of custom finish.

Shown with:

GL-54 DINING TABLE TOP - GLASS
